## DEATHS

### E. Robert Brown

The news of the death of E. R. Brown reached his many friends here Monday and came as a shock, as he was here recently apparently enjoying good health.

Mr. Brown was a young attorney of this city who at one time had charge of this paper and about four years ago secured a position with the internal revenue department at Kansas City where he did his work faithfully and creditably.

About a month ago he was sent south on a business matter and while on this trip he took a severe cold that brought on an attack of consumption and resulted in his early death. He died in Kansas City Monday at 4 a. m. at the age of 37 years, 8 months and 21 days. His remains were brought to this city by Undertaker Paris Walker that night and the last sad rites were spoken over the remains at the home of Mr. and Mrs. Frank Justice Wednesday afternoon after which his remains were laid to rest in Ridge Park cemetery.

He leaves to mourn his sad departure, his mother, Mrs. Elizabeth Brown, and a sister, Mrs. Frank Justice, of this city, who have our deepest sympathy in their bereavement.

### Mrs. Annie J. Piper

died suddenly at her home on South Odell Thursday, March 7th, of heart failure aged 73 years.

She is survived by three daughters, Mrs. Alice Lantz, Misses Gabe and Viola Piper, all of this city, and an adopted grand-daughter, Miss Allie Lantz.

Mrs. Piper came to Marshall from Virginia with her husband in 1871 and has resided in the same house ever since.

The funeral took place at the M. E. Church, South Saturday at 10 a. m. conducted by Rev. J. E. McDonald, after which the remains were laid to rest in Ridge Park cemetery. Deceased was much loved for her many good qualities and kindly acts. The sorrowing ones have our sympathy.

week's illness. His remains were brought to Slater Monday evening and buried at Mt. Horeb at 10:30 Wednesday. He formerly resided there with his mother, his father dying about 14 years ago. ## A SERIOUS CHARGE

### Against Elsa Woodsmall of Napton.

Elsa Woodsmall, son of J. W. Woodsmall of northeast of Napton, was arrested on Monday, March 4th, on a charge of attempted rape, perpetrated by Miss Anna May Potter, of Nelson. He was brought to Marshall Tuesday and released on \$1,000 bond signed by his father. He was again arrested on Thursday on a charge of rape, the first instructions having been wrong.

It is said that young Woodsmall, who is 18 years old, attended church with a young lady friend at Smith Chapel on Sunday evening, Mar. 31, and after services offered to take Miss Potter home in their buggy. He first took home his lady friend and then when passing along the road between Lude Fowler's and W. G. Hindman's made advances that Miss Potter resented and out of which the charges grew.

There was no preliminary trial, the grand jury being in session this week took it up direct, but came to no decision and will take it up again next week.

### Public Sales

Jos. Schieszer, Napton, will sell at his place 3 1/4 miles south of Hardeman, the following personal property on Wednesday, March 20, 1907, beginning 10 a. m. sharp: Horses, Mules, Cows, Hogs, and Farming Implements.

Lewis Gray, of Marshall, R. F. D. No. 5, will have a sale at his farm, 4 miles northeast of Marshall and 3 miles southwest of Norton, consisting of a lot of Horses, Cows, Hogs, Farming Implements and Household Furniture, on Thursday, March 21, 1907. Sale commences 12:30 sharp. Terms cash.

### Brave Woman

Mrs. Will Huston, the sheriff's wife of Randolph county, did a brave thing Tuesday. Her husband was away and she was bringing the prisoners water when one of them who had planned to escape on such an opportunity, started for the door but was surprised to find a revolver quickly leveled at him by Mrs. Huston and he is still boarding at the same place.

## THINK OF IT!

This Pretty Matron Had Headache and Backache—Her Condition Was Serious.

## RELIEF IN PE-RU-NA.

MRS. M. BRINKNER.

92 Eleventh street, Milwaukee, Wis.

Peruna Drug Mfg. Co., Dear Sirs:—A short time ago I found my condition very serious. I had headache, pains in the back, and frequent dizzy spells which grew worse every month. I tried two remedies before Peruna, and was discouraged when I took the first dose, but my courage soon returned. In less than two months my health was restored.

—Mrs. M. Brinkner. The reason for so many failures to cure cases similar to the above is the fact that diseases peculiar to the pelvic organs are not commonly recognized as being caused by catarrh.

Catarrh of one organ is exactly the same as catarrh of any other organ. What will relieve catarrh of the head will also relieve catarrh of the pelvic organs. Peruna relieves these cases simply because it relieves catarrh.

The ladies of the First M. E. Church report their exchange and market Saturday a success. They will hold another to-morrow at Peckler & Crockett's old stand.

Willard Spangler, of Scott City, Kansas, gave his parents a surprise Tuesday by returning home unannounced.

Dr. W. H. Black will lecture on "A Prince of Egypt" to the Teachers Institute next Monday night at 8 o'clock. The meeting will be held in the Circuit Court room. A cordial invitation is extended to all interested in this work.

Many Marshall people complained of having been kept awake by the noise of wild geese Monday night.

Mrs. S. V. Wright, of Lyndon, Ohio, is the guest of her son, E. M., and family.
